TREATING YOUR TASTE BUDS

Hit Spice®

TREATING YOUR TASTE BUDS

Kerala is widely known for its diverse cuisine, which relies substantially on side dishes to make a meal fulfilling. HitSpice offers you the finest tastes of God's own country with a variety of condiments using our exquisite recipes. We are committed in providing a high-quality range of products that include pickles and chutney powders that creates a relishing experience for anyone who indulges in them. Our authentic products comprise of a mix of sweet, spicy and savory, in unique combinations such as our Garlic Raisin pickle.

Our dry prawn chutney powder is a versatile and savory condiment for a selection of dishes. It is created with sun-dried prawns and a mixture of aromatic spices that would make you devour some more.

Whether you are a seasoned chef or a culinary novice, we believe our products will give a delicious touch to your meals.

HIT SPICE HISTORY

A family-owned business with recipes handed down by generations, Hit Spice was founded in 2018 by Foodcluster. Experience the goodness of condiments that enhances your taste buds.
